**PC 23/180 Paper C – To Note Highways Update and Consider New Items for Approval**

The Clerk presented the report, noting a new request had been received from a resident to reduce the speed limit on Wareham Road from Windgreen Roundabout to Hillview Roundabout to 20mph.

Dorset Council Highways advised that requests for 20mph speed limits should be considered and submitted to Dorset Council Highways for approval as a scheme for a zone rather than individual roads. They had also recommended that the Town Council should take time to consider the locations within the village and not to rush into it.

The Clerk suggested, the newly elected Town Council should consider 20mph zones in the village following the elections in May 2024.

Cllr Hardy referred to item 10 on the report appendices, noting although parking on pavements causes an obstruction, he was unclear whether it was illegal and that the report maybe misleading.

Following a robust discussion, the Clerk confirmed she would investigate further and report back at the next meeting.

The update was **NOTED**.

**PC 23/181 Paper D – To Note Update on Dorset Council Local Plan**

The Clerk presented the report, reiterating the revised timeline to develop the Dorset Council Local Plan.

Cllr Hardy noted he had attended the Dorset Association of Parish and Town Councils (DAPTC) Networking event held at Kingston Maurwood on 7 March 2024, whereby Cllr David Walsh, Planning portfolio holder had updated attendees on the Plan with comments noted as follows:

- Dorset Council were considering locations across Dorset for a new village or town.
- Neighbourhood plans were key to ensuring developments reflected the character and design of the local area.
- Current local housing needs estimated to be 1,900 homes per year.

- Developing a Management Plan for wind farms.
- Consultation will take place digitally, commencing in November 2024.

Members discussed their disappointment that the timeline to develop the Dorset Council Local Plan had been extended by a further three years and that the strategy to develop the Plan appeared to be officer-led rather than member-led.

The update was **NOTED**.

**PC 23/182 Matters for forthcoming agendas** No decisions can be taken<sup>1</sup>

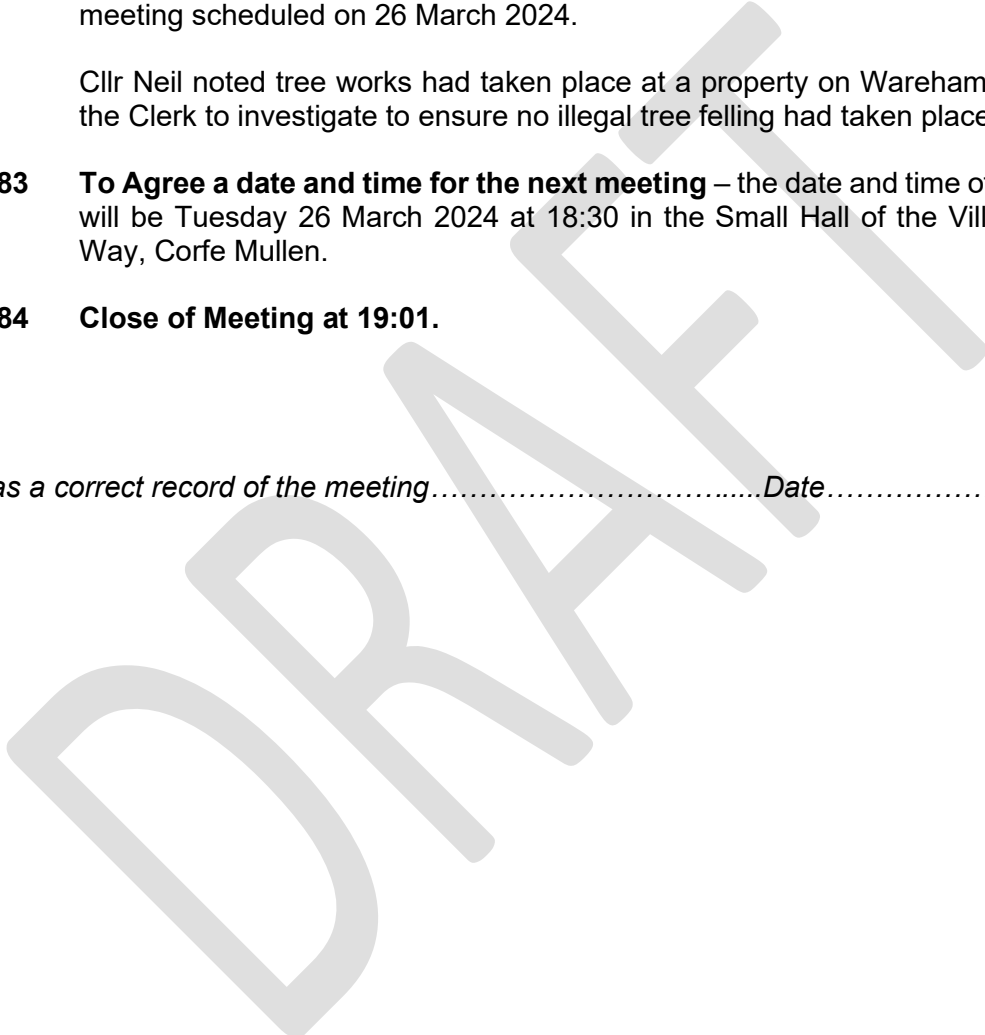

Cllr Hardy noted he had received a request from a resident to consider a speed reduction on Wimborne Road from Lake Gates, due to the speed of traffic coming off of the A31. The Clerk confirmed the request would be included in the Highways report for the next meeting scheduled on 26 March 2024.

Cllr Neil noted tree works had taken place at a property on Wareham Road and asked the Clerk to investigate to ensure no illegal tree felling had taken place.

**PC 23/183 To Agree a date and time for the next meeting** – the date and time of the next meeting will be Tuesday 26 March 2024 at 18:30 in the Small Hall of the Village Hall, Towers Way, Corfe Mullen.

Agenda Item: PC 23/190

Paper: C

<b>Subject:</b>	Highways Update
<b>Prepared by:</b>	Catherine Horsley, Town Clerk
<b>Purpose of Report:</b>	To note the update on current Highways issues being progressed by the Town Council office with National England and/or Dorset Council Highways.
<b>Background:</b>	At the Annual Town Council meeting held on 9 May 2023, the terms of references for the committees were reviewed and it was agreed for highways related matters to form part of the Planning Committee agenda, with updates provided to the Community Services Committee to note for information.
<b>Key Points:</b>	<p>Please see Appendix 1 listing highways related issues. Update and new items for consideration are shown in red.</p> <p>For awareness, Dorset Council Highways carry out inspections in line with their Code of Practice - <a href="https://modern.gov.dorsetcouncil.gov.uk/documents/s4013/CodeofPracticefortheClassificationofHighwaySafetyHazardsDefects.pdf">https://modern.gov.dorsetcouncil.gov.uk/documents/s4013/CodeofPracticefortheClassificationofHighwaySafetyHazardsDefects.pdf</a></p> <p><b>Road Closures</b> – Members of the public can view proposed works via <a href="https://one.network/">https://one.network/</a> or on the Town Council website under 'latest news'.</p>
<b>Implications:</b>	<p>No budget allocated in 2023/24 financial year for road safety measures. £7500 has been allocated in the 2024/25 financial year budget.</p> <p>The road safety of Corfe Mullen residents, particularly school children attending local schools should be a priority for the Town Council. Even if the Town Council supports the request, the locations may not meet the criteria and/or are not guaranteed as other primary consultees may not support it.</p>
<b>Recommendation:</b>	To NOTE updates shown in red and consider how to proceed with new requests on Appendix 1.
